The information in this Supplement modifies and supersedes any inconsistent information contained in, or filed with, the Proxy Statement. We urge you to read this Supplement, together with the Proxy Statement, carefully.

EXPLANATORY STATEMENT

Due to a printer error, an incorrect proxy card accompanied the Proxy Statement when filed with the Securities and Exchange Commission. The proxy card presented on the following page replaces the incorrect proxy card previously filed with the Proxy Statement. This Supplement does not reflect any other events occurring after the date of the Proxy Statement or modify or update disclosures that may have been affected by subsequent events. From and after the date of this Supplement, any references to the “proxy card” in the Proxy Statement or other proxy materials for the Annual Meeting are to the proxy card being filed with this Supplement.

The board of directors recommends a vote in favor of all proposals set forth in the accompanying proxy card.

If you have already voted by means other than the proxy card that accompanied the Proxy Statement as filed with the Securities and Exchange Commission on May 20, 2022, you do not need to vote again unless you would like to change your prior vote on any proposal. If you have already properly submitted your proxy and would like to change your vote, you may revoke your proxy before it is voted at the Annual Meeting by:

- voting via the Internet or telephone at a later time;
- submitting a completed and signed proxy card in the form accompanying this Supplement;
- sending a timely written notice that you are revoking your proxy to our Corporate Secretary at ACM Research, Inc., 42307 Osgood Road, Suite I, Fremont, California 94539; or
- voting via the Internet at the Annual Meeting (simply attending the Annual Meeting will not, by itself, revoke your proxy).
